Activity *Small Parks and P-Patches: Acquire and develop land for pocket parks, children's play areas, and community gardens in the West Slope and East Core Residential Districts. Design new public spaces and facilities according to Crime Prevention Through Environmental Design (CPTED) principles. Support City and community measures to assure park maintenance and safety. Consider the following potential sites:*

- Vacant lot north of 16th Avenue E and E Aloha Street (east side),
- Vacant lot north of 13th Avenue E and E Harrison Street (east side),
- Parking lot north of 16th Avenue E and E Thomas Street (east side),
- Parking lot south of 18th Avenue E and E Thomas Street.

D3: 1 of 1

Sub-Activity Assist community in collaborating with Parks and Recreation Department for acquisition, planning, and design of West Slope park project (currently envisioned as the property at NW corner of Summit Avenue E and E John Street), and with acquiring other sites.

Sub-Act Updated in June 2005, but no changes were noted. Jason Wachs
Comment(s) 08/16/05

2004 Priority Summary: The Seattle Parks and Recreation Department report that the property at Summit Avenue east and East John Street awaits owners' response for acquisition. The small number of available properties for this type of project limits the scope of options to a few locations. Dena Gazin
08/13/04

Acquire park site at Summit & John to serve West Slope Residential District; b) Awaiting owner response, acquire park site to serve East Core Residential District (priority sites are Group Health parking lots). Susanne Friedman

Was this a potential detention pond site in the original CDP? Nancy Ahern
